Moments of Distinction comes direct to you, party-plan style, and then works with you on a personal level to make your Moment a beautiful artwork – a canvas that you will be proud to have on your wall for years to come. Each printed canvas is handled individually and with care, from order to graphic design and manufacture. The canvas prints are finished with a UV protective gloss coat to keep your Moment looking great.

Unlike other canvas printing businesses, Moments of Distinction goes to extra lengths, offering artwork, montage options and even customised sizing to fill that particular spot on your wall. Other options available from your rep include: *

- photo-to-canvas gift vouchers
- canvas wedding showers
- photo-to-canvas wedding registries
- photo-to-canvas baby showers
- photo-to-canvas fundraiser nights

"Our Family" – a photo montage converted into a large canvas print.

Your photos can be montaged to make a multi-picture canvas print in many different ways, styles, shapes and sizes – from a small, square canvas print up to a full wall panoramic canvas print. It can be difficult to obtain a family photo with everyone looking their best, but your Moments of Distinction party-plan representative is trained to help you to select the perfect photo that will end up as a beautiful and moving piece of canvas art.
